INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Eyerly-Ball Community Mental Health Services
Des Moines, Iowa

We have audited the accompanying statement of financial position of Eyerly-Ball Community Mental Health Services (a non-profit organization) as of June 30, 2008, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's June 30, 2007 financial statements and, in our report dated August 15, 2007, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Eyerly-Ball Community Mental Health Services as of June 30, 2008, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America

The accompanying financial statements are those of Eyerly-Ball Community Mental Health Services only and are not those of the primary reporting entity. The combined financial statements of Eyerly-Ball Community Mental Health Services, Westminster House, Inc., WH II, LTD, W.H. III, Inc. (the Westminster Group), and Behavioral Health Resources, Inc., related nonprofit entities and their majority owned subsidiary, Golden Circle Behavioral Health, L.C., have been issued as the financial statements of the primary reporting entity.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization:

Eyerly-Ball Community Mental Health Services was organized in February 1969 as a private, nonprofit organization representing the disciplines of psychiatry, clinical psychology, social work, and related mental health professions. The purpose of the Organization is to provide and coordinate services for the elderly, mentally ill, or otherwise disadvantaged individuals, through psychotherapeutic treatment, community consultation, and education programs.

The Organization's major programs are:

<u>Community Support Programs</u> - where a mutually agreed upon individual service plan is developed and implemented to increase the client's level of functioning and promote the enhancement of independent living skills.

<u>Elderly Outreach Programs</u> - where licensed professionals provide therapy to individuals age 60 or older in their homes, as well as providing case management assistance to enable the individuals to live independently rather than in a more restricted or higher level of care setting

<u>Clinical and Psychiatric Services</u> - provides psychotherapy to individuals, groups, and families to alleviate symptoms, change or modify behavior, and increase their level of functioning as well as providing medical services by a licensed physician with a specialty in psychiatry, such as medication evaluation and management, and psychiatric evaluations. Also included are services of an ARNP (nurse practitioner) who serves as a liaison to a variety of individuals and programs and coordinates treatment with clinical staff, outside service providers, and families

Mobile Crisis Response Program - consists of a mobile mental health team that is dispatched at the request of law enforcement to do on-site assessments of individuals when the offense is superseded by mental health issues.

Other Programs - generally provides some combination of the above services to a specifically targeted population either on a fee-for-service or grant basis

A summary of the Organization's significant accounting policies follows:

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. At June 30, 2008, the Organization had no permanently restricted net assets

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Accordingly, actual results could differ from those estimates.

Accounts Receivable

Accounts receivable are considered past due after 30 days and are charged off when management determines the account is uncollectible. The risk of loss on the accounts receivable is the balance owed at the time of default. Bad debts are charged to operations in the year in which the account is determined uncollectible. The Organization has provided an allowance for the year ended June 30, 2008, based on historical collections and management's estimate of the collectibility of accounts receivable.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

A summary of the Organization's significant accounting policies follows: (Continued)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with an initial maturity of three months or less to be cash equivalents.

Mutual Funds

The Organization carries its mutual funds at fair value, determined by quoted market prices. Unrealized appreciation and depreciation are reported as increases or decreases in net assets

Interest in Limited Liability Company

The Organization is accounting for its interest in Golden Circle Behavioral Health, L.C. using the equity method under which the basis of the investment is adjusted for the Organizations' share of the limited liability company's net income or losses and distributions.

Property and Equipment

The acquisition of property and equipment is recorded at cost The Organization follows a practice of capitalizing all expenditures for property and equipment in excess of \$1,000 Depreciation is computed using the straight-line method over the following estimated useful lives:

	<u>rears</u>
Buildings	15-39
Furniture, fixtures, and office equipment	3-7
Vehicles	5

Contributions

The Organization accounts for contributions in accordance with the recommendations of the Financial Accounting Standards Board in SFAS No. 116, <u>Accounting for Contributions Received and Contributions Made</u> In accordance with SFAS No. 116, contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions.

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long the long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Advertising

Advertising costs are expensed as incurred. Advertising expense was \$8,986 for the year ended June 30, 2008.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

A summary of the Organization's significant accounting policies follows: (Continued)

Functional Expense Allocation

Salary and related expenses were allocated on the basis of time spent for program services and for supporting services. Depreciation expense was allocated directly to programs when possible with the remaining balance allocated based upon the allocation of space. The allocation of expenses other than salary and related expenses shown on the statement of functional expenses was made by assignment of costs based on the allocation of space or the number of the full time equivalent employees.

Concentration of Credit Risk

Eyerly-Ball Community Mental Health Services has receivables from governmental or other agencies and clients, which are subject to the possibility that a loss may occur from the failure of these parties to perform according to terms of the agreements from which the receivables arose. The amount of possible loss is equal to the balance of the receivable at the time of failure to perform. Eyerly-Ball Community Mental Health Services does not require collateral or other security to support these financial instruments unless otherwise noted.
